At its organizational meeting, held on 13 February 2017, the Human Rights Council, pursuant to the recommendation of the High Commissioner, decided, for one time only, to defer its consideration of the above-mentioned report, and that the report should be submitted no later than the end of December 2017. The High Commissioner made the recommendation in the light of the need for additional time to consider the inputs received in the context of an open call for submissions, which closed on 31 December 2016, and to ensure a fair process with regard to stakeholders prior to the compilation and transmission of the database in a report to the Council.
